TIME: 6:00 PM – Registration & Reception
7:00 PM –Dinner and Educational Program

SPEAKER: Byron G. Peters, B.S. Pharm., R.Ph.
Alvin J. Siteman Cancer Center
Washington University School of Medicine
Department of Internal Medicine
Division of Medical Oncology

TOPIC: Handling of Hazardous Medications

Objectives for Pharmacists:

At the end of the presentation the attendees should:

- Evaluate emerging data on the potential health risks of handling hazardous drugs and the recommendations/guidelines for safe handling.
- Analyze the effectiveness of closed-system drug transfer devices.
- Outline the scope and effectiveness of medical surveillance and staff training related to hazardous drugs at your institution compared to current recommendations.
- Identify key factors to be considered when selecting a closed-system drug transfer device system

Objectives for Technicians:

At the end of the presentation the attendees should:

- Evaluate emerging data on the potential health risks of handling hazardous drugs and the recommendations/guidelines for safe handling.
- Analyze the effectiveness of closed-system drug transfer devices.

INTENDED AUDIENCE: Health-system pharmacists, administrators, pharmacy students, and technicians.

Cost: There is no charge for members of the LISHP. Non-Member charge is \$30.00.

Sponsored by Carmel Pharma and LISHP

NEXT MEETING: March 2009

The NYS Council of Health-system Pharmacists (NYSCHP) is approved by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program, 134-999-09-056-L05-PT, is approved for 0.1 CEU (1.0 contact hour). Statements of Continuing Pharmacy Education Credit are mailed to participants within 30 days of receipt of the completed evaluation forms. A completed evaluation form is required to obtain continuing pharmaceutical education credit. Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue
