Via the Holland Tunnel Proceed cross-town (east) on Canal Street to FDR Drive north (uptown). Take the FDR Drive north (uptown) to 23rd Street (left exit). Proceed left to 2nd Avenue and make a left onto 17th Street.

Via Interstate 95 Enter Manhattan via the Lincoln Tunnel. Turn left onto 42nd Street and 9th Avenue. Proceed cross-town (east) to Second Avenue. Turn right onto Second Avenue and proceed to 17th Street.

New York City Society of Health-System Pharmacists Continuing Education Program

Malabsorption Disorders and the Role of Pancreatic Enzymes

Date: Thursday, February 21, 2008

Speaker: Larry Danziger, PharmD

Registration: 6-6:30 p.m.
Lecture & Dinner: 7:00-8:30 p.m.

Professor of Pharmacy Practice
Department of Pharmacy Practice
Assistant Professor of Pharmacy in Medicine
Division, Infectious Diseases College of Medicine
University of Illinois at Chicago

Location: NYU Hospital for Joint Diseases
Cafeteria
301 East 17th Street
New York, NY 10003

Educational Objectives for Pharmacists

1. Discuss the relevance of appropriately dispensing agents that are classified as pre-Drug Efficacy Safety and Implementation (pre-DESI) drugs.
2. Assess the differences in pharmacokinetic and pharmacodynamic properties that exist between various pancreatic enzymes used in treating cystic fibrosis.
3. Review the physiological impact of cystic fibrosis on the gastrointestinal system.

Intended Audience: Pharmacists, Pharmacy Technicians, Pharmacy Students, Medical Sales Representatives, Nurses, and other Health Care Practitioners

Continuing Education Sponsored By : New York State Council of Health-system Pharmacists

The NYS Council of Health-system Pharmacists is approved by the Accreditation Council for Pharmacy Education as a provider of continuing pharmaceutical education. This program, 134-999-08-008 –L04-P is approved for 0.1 CEU's (1 contact hours). **Statements of Continuing Pharmaceutical Education Credit are mailed to participants within 30 days of receipt of the completed evaluation forms. A completed evaluation form is required to obtain continuing pharmaceutical education credit.**

Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code (i.e., ordinary, necessary business expenses; miscellaneous itemized deduction).

Cost and Refund Policy:

This program is free to all members of the New York City Society of Health-system Pharmacists that RSVP. A \$65.00 non-refundable fee for non-members is payable at the time of admission if you RSVP. Non-members that do not RSVP will be charged \$65.00.

Acknowledgment: This program is made possible by Axcan, who has provided an unrestricted educational grant in support of this program.
