Educational Objectives for Pharmacists

1. Summarize the clinical evidence for erythropoietic stimulating agents (ESAs) and colony stimulating factors in chemotherapy-induced anemia and neutropenia.
2. Describe the FDA's position and labeling revisions, and CMS' new national coverage determination in response to recent ESA safety data.
3. Review the clinical evidence and management of venous thromboembolic events and chemotherapy-induced nausea and vomiting in oncology.
4. Evaluate the American Society of Clinical Oncologists/American Society of Hematologists and the National Comprehensive Cancer Network practice guideline updates for growth factors and other supportive care agents.
5. Discuss the expanded role of the pharmacist in the clinical and operational aspects of cancer supportive care management.

Intended Audience: Pharmacists, Pharmacy Technicians, Pharmacy Students, Medical Sales Representatives, Nurses, and other Health Care Practitioners.

Continuing Education Sponsored By: University Pharmacotherapy Associates, LLC is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and complies with the Criteria for Quality for continuing pharmacy education programming. This program provides 1.0 hour (0.1 CEU) of continuing pharmacy education credit (ACPE UPN 786-000-08-005-L01). Upon attendance at the entire program and completion of appropriate forms, statements of continuing pharmacy education credit will be mailed within 45 days of completion of the program. Original program release date is July 2008.

Cost and Refund Policy:

This program is **free to all members of the New York City Society of Health-system Pharmacists that RSVP**. A **\$65.00** non-refundable fee for non-members is payable at the time of admission if you RSVP. Non-members that do not RSVP will be charged **\$65.00**.

Acknowledgment: This program is made possible by **Amgen, Inc**, who has provided an unrestricted educational grant in support of this program.
