This program is supported by an educational grant from Astellas

This educational program is sponsored by the New York State Council of Health-system Pharmacists (NYSCHP) which is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is approved for 0.3 CEU's (3 contact hours). Statements of Continuing Pharmaceutical Education will be mailed to those participants who sign the sign-in sheet at the beginning of the program and complete the entire evaluation form at the conclusion of the session. Statements will be mailed 30 days after receipt of the completed evaluation forms. Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code.
