NYSCHP Annual Assembly

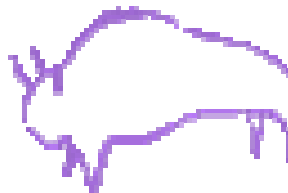

The NYSCHP held its Annual Assembly in Buffalo, New York on April 27-29, 2001. We extend our appreciation to all of our corporate sponsors for their support in making this event a success! Thank you to everyone who exhibited with us! The exhibits were well received by our members!

A special thank you to Sanofi, Pharmacia, Novartis, Eli Lilly & Company, Merck, AstraZeneca, Bayer, GlaxoSmithKline, Wyeth-Ayerst Laboratories, and Pfizer for sponsoring educational programs! Thank you for helping us achieve our goal to provide quality education and training to elevate the level of pharmacy practice.

Many events kept attendees busy during the weekend. Sixty-seven golfers braved the chilly early Buffalo morning to golf at the Glen Oak Golf Club. After a very busy day of classes and banquets on Friday, attendees went to

the GameZone for Midnight Bowling sponsored by Bayer. Some brave souls even attempted to play softball after staying up to 2:30 AM bowling! Thank you to all representatives who played softball. Then, a few more folks woke early on Sunday morning for the Fun Run.

Friday night was our Installation and Awards Banquet. New officers of the NYSCHP were installed. The Board of Directors welcomes new directors: Wendy Colin, Michael Blumenfeld, and Jan Keltz. Wendy Colin is a clinical pharmacist at Preferred Care in Rochester, New York and is the new Director of Communication Services. Michael Blumenfeld is the Director of Pharmacy at St. Lukes-Roosevelt Hospital Center in New York City. He is the new Director of Organizational Affairs. Jan Keltz is the Senior Research Pharmacist at Winthrop-University

Hospital in New York City. Please see page 2 for his letter. Frank Sosnowski was installed as President-elect of the NYSCHP. Frank is currently the Director of Pharmacy Operations at Montefiore Medical Center, Bronx, New York.

Saturday night we let down our hair and enjoyed the beautifully decorated Mardi Gras Party!

Plans are already underway for next year's Assembly at the Sagamore. The Annual Golf Classic and Softball Industry vs. Pharmacy Challenge are being planned. Please make plans to join us at the Sagamore!

Annual Golf Classic at the Glen Oak Golf Course, a Trent Jones Course!

Tee off this year was at 7:00AM on a bright brisk morning in Buffalo! A huge thank you to Patty Townsend from Merck who provided all the golfers with a much needed Windbreaker! Thank you Patty! OrthoBiotech, AstraZeneca, and OrthoMcNeil provided some other golf goodies for everyone including Tylenol to relive those aching joints after 18 holes of Golf!

A special thank you

to DuPont for hole sponsorship!

A huge thank you to Bill Vargas who served as chairman of the Golf Tournament again this year! Thank you Bill for all of your hard work!

Golf Tournament Winners:

Low Score (64): A tie between the OrthoBiotech Team (Patrick Conley, Patrick Conley, Morgan Scott and Rich Daniels) for the Second

Bayer Bowling Fun!!!!!!!!!!!!!!

A bowling outing sponsored by Bayer, proved to be a tremendous success. This was the first offsite fun event other than golfing or softball and approximately 50 people were bussed to the bowling alley. The bowlers were high spirited and competitive but in a fun easy going way. Prizes were awarded for a number of dif-

ferent categories to add to the excitement. For the nonbowlers, laser tag and a video arcade were available for amusement. Pizza, wings, beer and soft drinks provided the energy to sustain everyone through this late night event. This sponsored event proves that doing something different every once in a while is a good thing!

Submitted by Mark Greenstein, Annual Assembly Committee Exhibits Chair 2002.

NYSCHP Installs New President, Ted Friedman

To our partners in Industry greetings from the President. If I did not speak to you directly at the Annual Assembly in Buffalo, let me now say "Thank You" for your sponsorship and support.

Prior to assuming the role of the President of the Council, I have worn many hats in both my local chapter as well as the State Council. I was first asked to join the NY City Society Board by the late Bruce Kay as bulletin editor. I then was appointed to a vacant Director at Large position on the Board coordinating the activities of several committees with the Board of Directors.

I served in that capacity over the next six years. At which time I was elected to the presidency. During this time I also began working for the State Council as the associate editor, and then assumed the role of editor of the Council's Journal. Upon completing my charges on the local chapter, I ran and was elected to the Board of Directors of the State Council as Director for Educational Services. I then ran and was elected to my present position.

During my spare time I work as the Assistant Director of Pharmacy at Mount Sinai Hospital. I have

worked at Mount Sinai Hospital for the past 14 years in various roles from Ambulatory Care to Materials Management. I received my bachelor's degree from the University of Kansas, and my master's degree from St. John's University. I completed a pharmacy residency at Mount Sinai Hospital. Finally, I have had the pleasure after my residency to work at other major institutions in the City in various capacities before returning to Mount Sinai Hospital.

2002 Annual Assembly: May 3-5 at the Beautiful Sagamore Resort!

Be sure to mark your calendars for next year's Annual Assembly, May 3-5 at the Sagamore Resort and Conference Center.

The Sagamore is located on an island on Lake George in Bolton Landing, New York. Since 1883 the Sagamore has been offering its guests the splendor and quiet beauty of the Adirondack State Park.

The Annual Golf Classic will take place on The Sagamore's championship Golf Course de-

signed by Donald Ross and built under his personal supervision in 1928. The course was fully restored in 1985 according to Ross' original blueprints, including Ross' signature bunkers and natural hog-back greens.

For nongolfers, swimming, tennis, and the infamous Karaoke will be back! Warm up those vocal cords! Our theme banquet for this year will be "The Caribbean." Don't pack away

your Island wear this winter!

If you haven't turned in your early bird reservation form, please do so. Twenty-three companies have already responded! The excitement is only just beginning!

Meet the newly installed Director of Industry Affairs!

Hello to All my Colleagues in Industry...Old Friends and New...

Although I've been part of the hospital pharmacy community and the NYSCHP for many years, and many of you have known me quite a while now, I'd like to take this opportunity to introduce myself to those of you who don't know me and to reintroduce myself to those of you who do. I've been a practicing hospital pharmacist on Long Island for the past 25 years. Currently, I'm the Senior Research

The NYSCHP welcomes Jan Keltz aboard as the new Director of Industry Affairs!

Pharmacist at Winthrop-University Hospital in Mineola. Throughout my career I've remained active in the NYSCHP and the Long Island Society of Hospital Pharmacists. I'm also proud to be an affiliate Assistant Professor of Clinical Pharmacy at St. John's University.

As the president and program chairman of the LISHP, I worked closely with many of you in setting up our educational programs, and your guidance and assistance were invaluable. As NYSCHP's new Director of Industry Affairs I'm look-

ing forward to, once again, working together with all of you.

I also want to take this opportunity to ask "what can we do for you?" If you have any requests, concerns, or questions, please feel free to call the Council Office, (518) 456-8819 or you can call me directly at (516) 663-8358.

Thanks for your continued support! I'm looking forward to working with you this year!
