Educational Objectives for Pharmacists:

- 1-Identify prevalence of diabetes in hospital and costs associated with this disease state.
- 2-Review correlation between hyperglycemia and adverse outcomes
- 3-Utilizing case studies, discuss the goals of glycemic control in the in patient setting
- 4-Review treatment guidelines for DKA/HHS
- 5-Describe metabolic pathways of hyperglycemia during acute illness
- 6- Review clinical impact of hyperglycemia
- 7- Analyze data supporting intensive glucose control in hospitalized patients
- 8-Discuss different strategies for managing hyperglycemia in critically ill patients
- 9- Discuss the NYC epidemic and discuss new screening recommendations
- 10-Explain why pharmacotherapy needs to start quickly to get good "metabolic memory"
- 11-How to treat intensively early without hypoglycemia following Defronzo's recommendations

Intended Audience: Pharmacists, Pharmacy Students, Medical Sales Representatives, Nurses, and other Health Care Practitioners

Continuing Education Sponsored By: New York State Council of Health-system Pharmacists

The NYS Council of Health-system Pharmacists is approved by the Accreditation Council for Pharmacy Education as a provider of continuing pharmaceutical education. This program 0134-999-10-064-L04-P is approved for 0.3 CEU's (3 contact hour). **Statements of Continuing Pharmacy Education Credit are available at healthsystemce.org to participants upon the conclusion of the program. Participant must verify attendance at the meeting by entering the program CE code. This is a knowledgebased program . Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code (i.e., ordinary, necessary business expenses; miscellaneous itemized deduction).**

Cost and Refund Policy:

This program is free to all members of the New York City Society of Health-system Pharmacists that RSVP. A \$65.00 non-refundable fee for non-members is payable at the time of admission if you RSVP. Non-members that do not RSVP will be charged \$65.00.
