Learning Objectives: For 1.5 ACPE Credits on Medication Errors, the participant should be able to:

Pharmacists

- List the medication warnings and signals that can be integrated into Computerized Physician Order Entry (CPOE), the pharmacy interface and Medication Administration Checking (MAC) to reduce medication errors.
- Describe how to use CPOE to significantly increase physician adverse drug event reporting.
- Describe how to use MAC to significantly increase detecting and reporting medication errors.
- Describe how to utilize CPOE and the pharmacy interface to improve medication distribution services and redeploy pharmacists to provide bedside clinical pharmacy care services.
- Describe how to utilize CPOE and the pharmacy interface to design successful antibiotic restriction programs, nonformulary medication management, pharmacokinetic consultations, renal dosing programs, pregnancy and lactation restrictions, medication reports, and pharmacist intervention documentation programs.

Pharmacy Technicians

- Describe how barcoded robotic dispensing can prevent medication errors.
- List the types of medication errors that can be prevented by using CPOE.
- Describe how barcoded MAC prevents medication errors.

Audience: Pharmacists, Pharmacy Residents, Students and Technicians, and Industry Representatives

Fees: Members – Free Non-members – \$65.00 No Refunds Policy

This educational program is sponsored by the New York State Council of Health-system Pharmacists (NYSCHP) who is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmaceutical education. This program #134-999-08-013-L05-P and # 134-999-08-013-L05-T is approved for 0.15 CEU(s) (1.5 contact hours). **Statements of Continuing Pharmaceutical Education Credit will be mailed to those participants who complete the entire evaluation form at the conclusion of the session.** These statements will be mailed 30 days after receipt of the completed evaluation forms. Payments to NYSCHP are not deductible as charitable contributions for federal income tax purposes. However, they may be deductible under other provisions of the Internal Revenue Code (i.e., ordinary, necessary business expenses; miscellaneous itemized deduction).
