

Student Program
*Staying a "Step Ahead" of Your
Competition*

The pharmacy job market is not what it used to be decades ago. More and more students are attempting to become pharmacists, causing an oversaturation of applicants in the hiring pool. That golden job, once promised upon graduation, is no longer guaranteed. It is more important now, than ever before, to stand out from your competition. This program has been prepared to develop skills to help succeed in the job market. Whether it's networking, preparing yourself for an interview, or simply having the ability to communicate properly, these additional skills help to stay a "step ahead" of your competition, and increase the likelihood of hire.

A \$25 pre-registration fee is required to attend the program.

Participants are not required to be a student.

A \$25 late fee will be added after August 12, 2017.

To register on-line, visit www.nyschp.org

***Any cancellations made prior to 30 days may request a refund. No refunds will be given within 30 days of the program.**

- Bronx Lebanon Hospital Center
- Mount Sinai Hospital

Prior Attendees

Thank you for hosting the “Staying a ‘Step Ahead’ of Your Competition” event. As eager as I was to attend, truthfully I expected the “take away” from the event to be little beyond what is readily available on the web. I am delighted to state that I really believe the event was informative in a way that print material cannot be. What I found most valuable was the genuine feedback that you provided students. All the pharmacists whom I had the pleasure of interacting with really gave each student in my group their undivided attention and “honest” advice.

Schedule

7:50-8:00 am: **Welcome**

Amy Dzierba

8:00-8:15 am: **Interviewing Skills Presentation**
