C. Strategic Plan:

1. Remote Programming

- a. Pilot programs successful:
 - i. Winter Pharmacotherapy Program (live, on-site pilot).
 - ii. Critical Care Program Downstate (live, on-site pilot)
 - iii. Antimicrobial Stewardship: Looking Beyond S-I-R (webinar held on 1/31/17).
- b. Continued Expansion: Goal for 2017
 - i. Plan to select three programs from the Annual Assembly for webinar programs beginning in May 2017.
 - ii. Future direction:
 1. Disease-state based webinar series.
 2. On-line, enduring programs.
- c. Key Items for Discussion:
 - i. Opportunities and format for future webinars.
 - ii. Fee structure vs membership benefit and registration process.
 - iii. Marketing to non-members.

2. Networking/Partnering with other organizations

- a. Continue to explore the potential to collaborate with other organizations as feasible and/or to attain CME accreditation for targeted programs.
 - i. Critical Care 2017
 - 1. Identified opportunity to have CME accredited.
 - 2. Consider advanced practice professional speaker.
 - ii. ACCP
 - 1. To explore potential collaboration.
 - iii. Legislative Panel Update at Annual Assembly 2017
 - 1. PSSNY, NYSCHP, 1199
 - iv. Health Leaders of NY
 - 1. Goal: collaborative program in 2017.
 - v. Tristate Program
 - 1. Consider two programs per year.
- b. Winter Pharmacotherapy meeting information shared with NYS chapter of ACCP, with PSSNY, and with APIC.
 - i. No attendance gained from sharing of information.

3. Practice-Based Programming (expand to include additional therapeutic areas and create more enduring program strategies for existing programs)

- a. Must:
 - i. Determine the level of demand for practice-based programs (conduct targeted survey).
 - ii. Determine programs desired (conduct targeted survey).
 - iii. Evaluate the potential to collaborate with other organizations and/or states.
 - iv. Develop and implement plan to market certificate programs outside of NYS.

4. Expand Educational Programming (meet unmet educational needs; increase specialty-focused educational programming)

- a. Student programs held in NYC, Albany, and Rochester in 2016.
- b. Student member active on CCC.
- c. Student "recommended" programs noted in the Annual Assembly program.
 - i. Plan to engage students in the HOD, the Networking Session, and roundtables.
- d. Webinar series for technicians being planned.
- e. CCC to discuss:
 - i. Student and technician programming for the 2018 Annual Assembly.
